

Rate Schedule "35"

**FIRM SMALL COMMERCIAL AND INDUSTRIAL GAS SERVICE**

**AVAILABILITY**

Service under Rate Schedule "35" is available to any commercial or industrial customer provided:

- (a) The Customer is located within the service area of Gibson County Utility District; and
- (b) The Customer used less than 15,000 Therms in each month of the previous Determination Period; and
- (c) The Customer meets the following definition of a commercial or industrial customer:

Commercial customers are businesses primarily engaged in the sale of goods or services, including institutions and governmental agencies. Industrial customers are engaged primarily in a process that creates or changes raw or unfinished materials into another form or product including the generation of electric power.

In the event Customer shall fail to continue to meet the conditions (a) through (c) during the previous Determination Period, service under Rate Schedule "35" shall no longer be available. Customer shall be reclassified to the appropriate rate schedule effective May 1 of each year.

If a Customer has multiple meters at a location, condition (a), (b), and (c) apply to each meter. For a Customer with no more than two meters at each location, both meters may be combined to meet the monthly usage test imposed by condition (c).

**CHARACTER OF SERVICE**

Service under Rate Schedule "35" shall be considered Firm Service.

Unless otherwise approved by Gibson County Utility District, a Customer receiving service under Rate Schedule "35", after previously receiving service under Rate Schedule "40", shall not be allowed to return to service under Rate Schedule "40" until at least twelve months have elapsed since service was last received under Rate Schedule "40".

Gas purchased under Rate Schedule "35" shall be used only by the Customer at its facilities and shall be delivered at a single point of delivery or multiple points of delivery located within the service area of Gibson County Utility District and shall not be resold by the Customer.

**NET RATE**

The net rate for service under Rate Schedule "35" for each monthly billing period shall be the sum of the Customer Charge and the Commodity Charge, each calculated as follows:

Customer Charge:	\$10.00
Commodity Charge:	\$0.3164 per Therm for the first 200 Therms plus the cost per Therm of gas sold to Customer; plus \$0.3019 per Therm for the excess over 200 Therms plus the cost per Therm of gas sold to Customer.

**PURCHASED GAS ADJUSTMENT**

The cost per Therm of gas sold to Customer that is included in the Commodity Charge may be subject to the Purchased Gas Adjustment of Gibson County Utility District.

**MINIMUM BILL**

The minimum bill for each monthly billing period shall be the Customer Charge. The minimum bill will be billed for each monthly billing period beginning with the date of initial service and ending with the date service is terminated at the request of Customer, inclusive.

**PAYMENT TERMS**

Bills for service under Rate Schedule "35" are rendered monthly. Each bill rendered for service is due and payable on the date it is issued. The rates and charges under Rate Schedule "35" are net, the gross rate being ten percent ("10%") higher. In the event the current monthly bill is not paid on or before the last date for payment as specified on the bill, the gross rate shall apply to any unpaid amount of the bill.

**SERVICE AVAILABILITY**

All requests for new or additional service or the transfer of existing service to higher priority end use will be supplied based on the judgment of Gibson County Utility District as to the available gas supply, the load factor or use pattern of the Customer, end use priority as may be specified by the Federal Energy Regulatory Authority, impact on the local economy, and laws of the State of Tennessee.

**RULES AND REGULATIONS**

All service provided hereunder is subject to the Rules and Regulations of Gibson County Utility District that may from time to time be in effect.

**SERVICE INTERRUPTION AND CURTAILMENT**

Gas service under Rate Schedule "35" is subject to the curtailment provisions contained within the Rules and Regulations of Gibson County Utility District that may from time to time be in effect.
