

Rate Schedule "16"

COMMERCIAL AND INDUSTRIAL PROPANE SERVICE- UNMETERED

AVAILABILITY

Service under Rate Schedule "16" is available to any commercial or industrial customer provided:

- (a) The Customer is located within the service area of Gibson County Utility District; and
- (b) The Customer meets the following definition of a commercial or industrial customer:

Commercial customers are businesses primarily engaged in the sale of goods or services, including institutions and governmental agencies. Industrial customers are engaged primarily in a process that creates or changes raw or unfinished materials into another form or product including the generation of electric power.

In the event Customer shall fail to continue to meet the conditions (a) through (b) during the previous Determination Period, service under Rate Schedule "16" shall no longer be available. Customer shall be reclassified to the appropriate rate schedule effective May 1 of each year.

If a Customer has multiple meters at a location, condition (a) and (b), apply to each customer account.

CHARACTER OF SERVICE

Service under Rate Schedule "16" shall be considered unmetered propane service. Gibson County Utility District no longer offers this type of service to new customers. All unmetered propane customers are grandfathered as of the effective date of this tariff.

Propane purchased under Rate Schedule "16" shall be used only by the Customer at its facilities and shall be delivered at a single point of delivery or multiple points of delivery located within the service area of Gibson County Utility District and shall not be resold by the Customer.

NET RATE

The net rate for service under Rate Schedule "16" for each monthly billing period shall be the sum of the total number of gallons delivered, calculated as follows:

Propane charge:	\$ 2.25 per gallon
Yearly Tank Rental:	\$65 plus applicable tax tank owned by GCUD

PAYMENT TERMS

Bills for service under Rate Schedule "16" are rendered monthly. Each bill rendered for service is due and payable on the date it is issued. In the event the current monthly bill is not paid on or before the last date for payment as specified on the bill, a late charge shall apply to any unpaid amount of the bill. Future deliveries will not continue if any unpaid balance remains outstanding at the time of such delivery. Tank Rental will be charges annually or monthly, at the customer's request. It is subject to the above terms.

SERVICE AVAILABILITY

All requests for new or additional service or the transfer of existing service to higher priority end use will be supplied based on the judgment of Gibson County Utility District as to the available supply.

RULES AND REGULATIONS

All service provided hereunder is subject to the Rules and Regulations of Gibson County Utility District that may from time to time be in effect.

SERVICE INTERRUPTION AND CURTAILMENT

Gas service under Rate Schedule "16" is subject to the curtailment provisions contained within the Rules and Regulations of Gibson County Utility District that may from time to time be in effect.
